

Love UnVeiled

Transforming Women into God's Image of Beauty

Ministry Overview

OPEN YOUR VOICE ON BEHALF OF THOSE WHO HAVE NO VOICE Proverbs 31:8-9

2007 Mandate - "Reach the whole world in our generation by reaching the world's women"

Love UnVeiled (LUV) is called to transform, equip and empower women to be all God wants them to be, setting them free to fly in His purpose and multiply His glory all over the world.

- We believe women have an integral role in fulfilling the Great Commission.
 - Two thirds of the world wide church today is women.
 - In some countries women form over 75 – 80 percent of the church.
- In most countries women do not receive any formal training or equipping in leadership and discipleship.

Our Purpose

Setting women free to be all God intended them to be.

Our Vision

To urgently reach the world in our generation by reaching the world's women.

Our Mission

Equipping and empowering women to find their identity in Christ, experience freedom, healing and transformation, and develop their gifts to minister to others. We do this by providing strategic Biblical teaching, training and resources necessary for spiritual and emotional growth and multiplication.

Our Commission - **"Feed My Lambs, Feed My Sheep"** *"Teach them my Word; Show them the way to Walk; Show them the Work to do."* Exodus 18.20

Our Strategy

2 Timothy 2.2 *“And these things you have heard me say in the presence of many witnesses entrust to reliable men who will also be qualified to teach others.”*

1. Select godly women with vision, commitment and availability (12 Coordinators in each area)
2. Employ the principle of Multiplication to train and raise up local Christian women to disciple other women:
3. Provide 3 year Leadership and Discipleship Training
 - LUV Butterfly Coordinators: 3 – 4 Day Training Workshops every 6 months for three years
 - LUV Butterfly Coordinators Train Trainers: weekly/monthly
 - LUV Butterflies (New Disciples) meet weekly with Trainer.
 - One day conference every 6 months or every year for all Butterflies in the area.

How we work:

In partnership with individuals, local churches, ministries and NGO's we go where there is a need and an invitation, under the leading and confirmation of the Holy Spirit. This is His work and ministry.

Why we are here:

There is a battle going on for the lives and souls of millions of women held in spiritual captivity today. These women are bound by oppression, abuse and lies. They are victims living in spiritual and emotional darkness.

- Men cannot reach these women. Women must reach these women.
- Training and equipping women is a highly impacting and effective ministry to increase the kingdom of God in our generation
- Women urgently need to be trained and equipped to reach the hurting women of the world.
- Training women believers will mobilize a currently silent army for the kingdom.
- Training women does not involve the cost of church planting or building programs as we equip women in the context of the local church, their homes, ministry or workplace.
- Women are communicators and influencers in their homes and their communities. Tell a woman about a good thing and she will tell everyone she meets!

2012 Mandate: *“Reach as Many as you Can in the next Five years.” 2 Peter 3:9.*

Will you help us reach as many women as we can in the remaining two years of this mandate?

We need those who will pray that our strength will not fail, that God will lead us to women who need Him and empower us to speak the word boldly.

We need those who will give for the tools, translations, and training for leaders and their travel.

We need women whose hearts are burning with the call of God to reach women, women who are willing to make the commitment to set women free and make disciples among women.
