Ministry Overview

OPEN YOUR VOICE ON BEHALF OF THOSE WHO HAVE NO VOICE Proverbs 31:8-9

Love UnVeiled (LUV) is a 501 (c) (3) non for profit ministry founded by Liz Dickson in 2007 to help women worldwide experience freedom in Christ and to equip and empower them to reach women in their countries.

The Holy Spirit put a burden on Liz's heart to empower women in countries with no spiritual resources in their language by equipping and training women in God's word and providing biblical resources in their language to help them grow an intimate relationship with Jesus and lead and disciple others in spiritual transformation and multiplication in their communities.

Liz has written *The Butterfly Story* and *Transform & Multiply* a three year curriculum of 5 workbooks which is being used to transform women's lives in India, Asia, Europe, S. America, Africa and USA.

LUV Purpose: Setting women free to be all God intended them to be.

LUV Vision: To urgently reach the world in our generation by reaching the world's women.

LUV Mission: To transform, equip and empower women to be all God wants them to be, setting them free to fly in His purpose and multiply His glory all over the world.

Our Commission - **"Feed My Lambs, Feed My Sheep"** *"Teach them my Word; Show them the way to Walk; Show them the Work to do."* Exodus 18.20

Our Strategy

2 Timothy 2.2 *"And these things you have heard me say in the presence of many witnesses entrust to reliable men who will also be qualified to teach others."*

1. Select godly women with vision, commitment and availability (12 Coordinators in each area)
2. Employ the principle of Multiplication to equip and raise up local Christian women to disciple other women
3. Provide 3 and a half year Leadership and Discipleship mentoring and training
 - LUV Butterfly Coordinators - 4 Day Workshops every 6 months for three and half years
 - LUV Butterfly Coordinators train and disciple Trainers: weekly/monthly

- LUV Butterfly Trainers disciple Butterflies (Young or new believers) meet weekly.
- One day conference every 6 months or every year for all Butterflies in the area.

How we work:

In partnership with individuals, local churches, ministries and NGO's we go where there is a need and an invitation, under the leading and confirmation of the Holy Spirit. This is His work and His ministry.

Why we do what we do:

1. We believe women have an integral role in fulfilling the Great Commission:
 - Two thirds of the world-wide church today is women.
 - In some countries women form over 80 percent of the church.
 - In most countries women do not receive any formal training or equipping in leadership, evangelism or discipleship.
2. There is a battle going on for the lives and souls of millions of women held in spiritual captivity today. These women are bound by oppression, abuse and lies. They are victims living in spiritual and emotional darkness.

- Men cannot reach these women. Women must reach these women.

- Equipping & Powering women is a highly impacting and effective ministry to increase the kingdom of God in our generation

- Women urgently need to be equipped and empowered to reach the hurting women of the world.

- Equipping women believers will mobilize a currently silent army for the kingdom.

- Equipping women does not involve the cost of church planting or building programs as we equip women in the context of the local church, their homes, ministry or workplace.

- Women are communicators and influencers in their homes and their communities. Tell a woman about a good thing and she will tell everyone she meets!

Will you help us reach as many women as we can?

Pray: We need those who will pray that our strength will not fail, that God will lead us to women who need Him and empower us to speak the truth in love with power to bring freedom and healing.

Give: We need those who will partner and invest with us financially to help us provide workshops, resources, translations, printing, travel and training to equip women.

Go: We need women whose hearts are burning with the call of God to reach women, women who are willing to make the commitment to set women free and make disciples among women.
