

Love UnVeiled

Transforming Women into God's Image of Beauty

Ministry Overview

OPEN YOUR VOICE ON BEHALF OF THOSE WHO HAVE NO VOICE

Proverbs 31:8-9

Love UnVeiled (LUV) is a 501 (c) (3) non-for-profit ministry founded by Liz Dickson in 2007 when the Lord put a vision in her heart to reach the world by reaching women.

Liz responded to God's call to unveil His love by helping women worldwide to experience the transformation, healing and freedom Jesus promises in Isaiah 61:1-4 and Luke 4:18-21. The ministry of Love UnVeiled is to train, equip and empower women to multiply by reaching women needing God's healing and wholeness in their own cultures and communities.

The Holy Spirit empowered Liz to write *The Butterfly Story*, and *Transform & Multiply* a three year leadership and discipleship curriculum which is being used to transform women's lives in India, Asia, Europe, South America, Africa and USA.

Our Purpose *Setting women free to be who God created them to be.*

Our Vision *To urgently reach the world in our generation by reaching women.*

Our Mission *TEEM: Transformed by His Love,
Equipped in His Word,
Empowered by His Spirit,
Set free to Multiply.*

We equip and empower women to find their identity in Christ and experience transformation, healing and freedom to minister to others. We do this by providing strategic Biblical teaching, training and resources for spiritual and emotional growth and spiritual multiplication.

Our Commission: *"Feed My lambs, feed My sheep." John 21
"Teach them my Word; Show them the way to Walk; Show them the Work to do." Ex 18:20*

Our Strategy *"And these things you have heard me say in the presence of many witnesses entrust to reliable men who will also be qualified to teach others." 2 Timothy 2:2*

1. Select godly women with vision, commitment and availability.
2. Employ the principle of Multiplication to train, equip and empower these women to be *LUV Coordinators* who evangelize, disciple and mentor others in their own country/area.
 - Provide 3 ½ year Leadership and Discipleship Training to *LUV Coordinators* in 4 Day Workshops every 6 months.
 - *LUV Butterfly Coordinators* disciple and mentor *Butterfly Trainers* - weekly or monthly.
 - *LUV Butterfly Trainers* disciple and mentor *other women* - weekly.
 - *Let's Get Real* - One day semi-annual LUV event in each area; to cast vision, to build up and encourage our women and for butterflies to invite others.

How we work:

In partnership with individuals, local churches, ministries and NGO's we go where there is a need and an invitation, under the leading and confirmation of the Holy Spirit. This is His work and His ministry.

Why we do what we do:

1. We believe women have an integral role in fulfilling the Great Commission:
 - Two thirds of the worldwide church today, is women. In some countries, women form more than 80% of the local Church.
 - In most countries, women do not receive any formal training or equipping in leadership and discipleship.
2. There is a battle going on for the lives and souls of millions of women held in spiritual captivity today. These women are bound by oppression, abuse and lies. They are victims living in spiritual and emotional darkness.
 - Men cannot reach these women. Women must reach these women.
 - Training and equipping women is a highly impacting and effective ministry to increase the kingdom of God in our generation.
 - Women urgently need to be trained and equipped to reach the hurting women of the world.
 - Training women believers will mobilize a currently silent army for the kingdom.
 - Training women does not involve the cost of church planting or building programs as we equip women in the context of the local church, their homes, ministry or workplace.
 - Women are communicators and influencers in their homes and their communities. Tell a woman about a good thing and she will tell everyone she meets!

How you can help us reach as many women as we can:

Pray: We need those who will pray that our strength will not fail, that God will fill our hearts with His love, lead us to women who need Him and empower us to speak the word of God boldly, with compassion, in the power of the Holy Spirit that they might be transformed, healed and set free to multiply and reach other women.

Give: We need those who will give for the tools, translations, training and travel costs necessary to equip and empower leaders to reach their communities.

Go: We need women whose hearts are burning with the call of God to reach women, women who are willing to make the commitment to set women free, and women who will make disciples among women who are broken, desperate, lost and oppressed.
