

Butterfly Group Agreement

Our Purpose is to know God more intimately through studying His Word, to allow Him to transform us into the women He wants us to be and to develop deep and loving relationships with each other so that together we will spread His fragrance to those around us.

1. We agree to "love and accept one another" and we will welcome all new comers with love, and open hearts and minds.
2. We agree to pray and support one another - (if you can't make the meeting, let us know how we can be praying for you).
3. We will respect each other's time by being "on time" and by letting one of the group know ahead of time if we are unable to make the meeting, or we are running late.
4. We will provide a safe environment where we feel free to "share" openly with each other. We will commit to keep confidential, anything shared by one of our group as a prayer request or testimony. We will love and respect each other and refrain from judgment, criticism or gossip.
5. We will listen to each other, and limit the time we take to present our individual prayer requests or sharing time so that everyone in the group has an opportunity to share.
6. We will commit not to try to "fix" each other.
